

Application Information

O'CARB™ is designed to supply an increased energy boost in time of rapid growth, crop development or times of stress. Fertility product for use as a starter and foliar application for growing crops.

Starter: Apply 32-64oz. in the row on the seed.

Foliar Apply: 32 oz. per acre per application. Can be applied with other fertilizer applications. Can also be aerial at same rate.

Soil Apply: 64 oz. per acre.

Compatible with most fertilizers and spray materials. Shake or agitate before use. Always jar test before using.

O'CARB™ is intended as a supplement to a regular fertilization program and may not, by itself, provide all the nutrients normally required by crops or other plants during the course of the year.

PLANT HEALTH

By way of O'CARB's™ delivery and availability of its nutrients, plant response to O'CARB™ has been phenomenal. Below are some of the benefits we have seen:

- Balances Soil PH
- Improves Photosynthesis
- Raises Plant Brix Levels
- Increases Crop Shelf Life
- Increases Nutrient Uptake
- Increases Microbial Activity
- Promotes Beneficial Bacteria
- Increases Carbon Levels in Soil
- Increases Production and Yield
- Restores Soil Biological Balance
- Improved Natural Plant Resistance to Extreme Weather Conditions
- Stimulates & Increases Amino Acids & Protein Production

**O'CARB™ Treated Crops
Produce Huge Yields**

O'CARB™ is a powerful concentrate that turns up the plant's immune system. It puts the plant into high gear to accelerate growth and enhance overall plant health. It has proven itself to be game changer when it comes to how we traditionally view plant fertility. Used in the row, on the seed, soil applied, or foliar fed O'CARB™ delivers results!

REVOLUTIONARY DELIVERY SYSTEM

A significant reason why O'CARB™ works so well is its delivery system. Other products are never able to fully deliver their nutrients to the plant and are wasted. O'CARB™, however, penetrates through the wax layer of the plant leaf in a highly efficient way ensuring all the nutrients are received internally by the plant. This makes all the difference!

AVAILABILITY

O'CARB™ was engineered to maintain high availability of its proprietary ingredients to the plant. Availability is key. The nutrients in O'CARB™ are 100% available and perfectly balanced to ensure uniform delivery to the plant. With O'CARB™ you quite simply get the best product your money can buy!

**When You Use the Best
You Grow the Best!**
