GROW THE BEST CROPS

The best crop program is one that delivers all the essential nutrients to the plant for it to grow to its full potential.

Unlike most foliar applied fertilizers, our product consists of a **complete** package that addresses almost every nutritional need of the plant. There is no need to supplement a little of this product and that product to try to meet all the needs of the plant - **X-14™ does it all!**

Our product has been meticulously formulated to ensure the host of ingredients stay balanced and in-solution so your crops get the very best nutrition possible!

Now your crops can get the complete array of nutrients they need in one product!

Improve Plant Photosynthesis

Grow Vigorous Plants

Higher Brix Levels

Greater Fruitation

Increased Plant Maturity

Increased Drought Tolerance

Improve Plant Vitality

Eliminate Need for Chemical Fertilizers

Improve Overall Plant Immunity

**Decrease Input Expense While
Dramatically Increasing Yield/Return**

LOWER OVERALL COST OF PRODUCTION

X-14™ is an all-in-one product that is considerably more affordable than purchasing various independent products in hopes of meeting all the needs of the plant.

By incorporating all the essential nutrients into one product, you are able to drastically reduce your input costs.

INCREASE PROFITS

The delivery systems of **X-14™** is truly what sets it apart from everything else on the market and is a key reason why our crops have explosive growth.

Tests and testimonials conclude that **X-14™** makes a huge impact on the yield and quality of crops. Farmers comment that **X-14™** grew the best crops ever!
